Reviews

It in a single of the best ebook. I am quite late in start reading this one, but better then never. I am delighted to inform you that here is the greatest ebook i have got read through inside my very own daily life and may be he best book for at any time.

(Eunice Schulist)

THE YOUNGS: THE BROTHERS WHO BUILT AC/DC

Black and White Publishing. Paperback. Book Condition: new. BRAND NEW, The Youngs: The Brothers Who Built AC/DC, Jesse Fink, With sales of over 200 million albums, AC/DC is not just the biggest rock band in the world, it's a family business built by three brothers: George, Malcolm and Angus Young. As with any business, some people prospered, while others got hurt along the way. The Youngs: The Brothers Who Build AC/DC is unlike any AC/DC book you've read before. Less a biography, more a critical appreciation, it tells the story of the trio through 11 classic songs and reveals some of the personal and creative secrets that went into their making. Important figures from AC/DC's long journey to the top open up for the very first time, while unsung heroes behind the band's success are given the credit they are due. Accepted accounts of events are challenged while sensational new details emerge to cast a whole new light on the band's history - especially their early years with Atlantic Records in the United States. Former AC/DC members and musicians from bands such as Guns N' Roses, Dropkick Murphys, Airbourne and Rose Tattoo also give their perspectives on the Youngs' brand of magic.
