## THE YOUNG READER'S CATLIN: MY LIFE AMONG THE INDIANS

Digital Scanning Inc., 2001. Trade Paperback. Book Condition: New. Reprint. Over 175 years ago George Catlin, American painter, writer and explorer, realized that the white settlers would eventually destroy the native cultures of North America. Devoting his life to preserving the Indian heritage, he traveled throughout the West sketching and painting hundreds of Indian portraits, village scenes, religious rituals and games. Eager to preserve the vanishing tribes and customs of the Native Americans through his art, his encounters with these fascinating people resulted in the two-volume book, *The North American Indians*, a collection of his letters with over 400 illustrations. Originally titled *The Boys Catlin*, this reprint edition is a young readers condensed version of his original book that includes a biographical sketch of Catlin along with sixteen illustrations from his original drawings.
