Reviews

Very beneficial to all of type of individuals. This can be for those who statte that there had not been a really worth reading. You will not really feel monotony at at any time of your respective time (that's what catalogs are for concerning should you ask me).

(Michale Shields)

HONORARY TIGER: THE LIFE OF BILLY ARJAN SINGH

Lotus/Roli Books, New Delhi, India. Hardcover. Book Condition: New. Dust Jacket Condition: New. Popularly known as India's latterday Jim Corbett and 'tiger man', 87-year-old Billy Arjan Singh is by any standards an extraordinary man. At Tiger Haven, his home in a magical spot on the edge of the jungle in UP, Singh's experiments with bringing up three orphaned leopards, and also Tara, a tiger cub that he imported from a zoo in England, shot him into both limelight and controversy. His aim was to see if Tara's instincts would make her revert to the wild when she became mature. They did, and over the years, she produced four litters of cubs, thus proving his contention that it is possible to supplement dwindling wild stocks with zoo-born animals. But when it was discovered that the tigress had Siberian genes in her ancestry, he was accused of having introduced a 'genetic cocktail' into the jungle. Undeterred, Singh remained a champion of the forest and its denizens. It was almost entirely due to his advocacy that in 1973 the then Prime Minister, Indira Gandhi, authorized the creation of the Dudhwa National Park. Now, in his eighties, comes recognition for his efforts. In March 2005, he received the J. Paul Getty Wildlife Conservation award - a global honour administered by the World Wildlife Fund, that serves to recognize outstanding contributions in international conservation. In this affectionate biography, the British author Duff Hart-Davis tells the story of a man absolutely dedicated to the cause of animals, who has given fifty years of his own life to their conservation. Printed Pages: 224.
