Reviews

A very wonderful book with lucid and perfect answers. It is probably the most incredible book i have study. Its been designed in an exceptionally simple way and is particularly just after i finished reading through this publication by which in fact transformed me, alter the way in my opinion.

JOURNAL OF WILLIAM CLAYTON HUMPHREYS (1851)

University of KwaZulu-Natal Press. Paperback. Book Condition: new. BRAND NEW, Journal of William Clayton Humphreys (1851), W.C. Humphreys, Julie Pridmore, William Clayton Humphreys represents a fairly common type among early settlers in the colony of Natal. He had little capital and no professional experience, and his trip to the "Zulu country" was undertaken as a commercial enterprise, rather than as a scientific or "sporting" hunting expedition. His journal provides insights into the cattle trade which was so vital an aspect of the political economy of Natal and Zululand. As well as being an account of personal hardships, the journal gives interesting descriptions of Mpande's consolidated Zulu state, the mission station of Hans Schreuder, and the still abundant flora and fauna.
