Wealth Media, LLC, United States, 2015. Paperback. Book Condition: New. 210 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****.Investing in index funds is a proven way to grow your earnings into lifelong financial security. Learn this widely regarded, easy to implement index fund investing approach. You will (likely) beat 60 percent to 70 percent of active mutual fund managers investing with this index fund approach, and this Nobel Prize winning theory is easy to set up and manage. This is not a get rich scheme, but a practical investing approach anyone can implement, follow and administer for the long haul. Does this sound like you? Are you worried about your financial future? Would you like a method to set up your finances for success now, and financial security later? Do you feel like you lack time and knowledge to properly manage your money? Have you made money mistakes in the past? If you answered yes to any of these questions, this investing blueprint offers a solution to your money planning concerns. Practically, I understand that beating investment pros is great, but even more important than that is understanding how to invest to reach your personal investment goals. Here s how you ll benefit and what you ll learn from this investing blueprint: The index fund investing approach that helps you reach your financial goals. Enough investing knowledge to create your own investment strategy and avoid making poor choices. Explanations of common money terms, to increase your investing literacy. The skill to determine whether you need an advisor, and what to look for if you want additional financial guidance. An understanding of how you ll respond to the ups and downs in the investing markets and, more importantly, how to invest so you ll be...
