Reviews

This is an awesome publication i have at any time read. Of course, it is play, still an interesting and amazing literature. You will like just how the author write this book.

(Prof. Herta Mann)

HarperTorch, United States, 2006. Paperback. Book Condition: New. 168 x 102 mm. Language: English . Brand New Book. Bloodlands . . . It seems when a lady s called Calamity, chaos follows wherever she goes -- even to the mostly peaceful railroad town of Mulrooney, Kansas. Martha Jane Canary s always been free as the prairie wind, tied to no place or person, so she never expected to inherit a hardscrabble ranch that other folks have been working. She might have even ignored the legal summons to claim her property . . . if someone hadn t tried to kill her first. Now, whether she wants the spread or not, Jane s going to fight for what s hers -- taking on bushwackers, crooked lawyers . . . and a woman with a cold and greedy heart, and a plan to steal Jane s land with bullets and brutality. But Calamity s got an ally -- a baby-faced Texas gun called the Ysabel Kid -- not to mention stony courage, a strong and sure whip hand . . . and a mule-stubborn willingness to lay down her life for what s right.
