

The Park and the People: An Introduction

By Roy Rosenzweig

Cornell University Press. Paperback. Book Condition: New. Paperback. 640 pages. Dimensions: 9.3in. x 6.2in. x 1.5in. This exemplary social history (Kirkus Reviews) is the first full-scale account of Central Park ever published. Elizabeth Blackmar and Roy Rosenzweig tell the story of Central Park's people: the merchants and landowners who launched the project; the immigrant and African-American residents who were displaced by the park; the politicians, gentlemen, and artists who disputed its design and operation; the German gardeners, Irish laborers, and Yankee engineers who built it; and the generations of New Yorkers for whom Central Park was their only backyard. In tracing the park's history, Blackmar and Rosenzweig give us the history of New York, and bring to life larger issues about the meaning of the word public in a democratic society. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

Here is the best ebook I actually have gone through until now. It really is simplistic but shocks within the fifty percent in the ebook. Your daily life period will probably be transformed once you finish reading this book.

This is basically the greatest PDF I have gone through right up until now. It normally fails to cost excessive. Once you begin to read the book, it is extremely difficult to leave it before concluding.
