Pub Date: October 2012 Pages: 281 Language: Chinese in Publisher: China Travel and Tourism Press Hainan international tourism island has risen to national strategies. However, the Chinese island tourism standards have not yet entered the study and formulation stage, especially Hainan how to stand in the international tourism market demand perspective, think about the construction standards of the international tourist island is even more urgent. Compared with the developed areas of the world, is in a phase of rapid development of island tourism, there is a large gap. The construction and development of island tourism is still a lack of a more favorable macro-guidance policy, the building of a mature standard, internationally oriented marketing system industrial system. Tourism Theory and Practice the forefront Series: International Tourism Island Construction Standards and Evaluation System international tourist island to Hainan Island, for example, around the demands of the national strategy of building an international tourism island, is the standardization of construction of the international tourist island theoretical guidance and reference to enrich the theory of island tourism system, and the implementation...

Reviews

Great eBook and useful one. it was actually writtern really completely and useful. You are going to like the way the article writer publish this publication.

-- Prof. Ernestine Emard

This kind of book is every little thing and made me searching ahead of time plus more. This is certainly for anyone who statte that there was not a well worth reading through. Its been developed in an remarkably straightforward way in fact it is simply following i finished reading this pdf in which really modified me, alter the way i really believe.
