Springer Publishing Company. Hardcover. Book Condition: New. Hardcover. 704 pages. Dimensions: 11.1in. x 8.6in. x 1.5in. Praise for the Third Edition: In this comprehensive textbook on palliative care nursing, editors Marianne Matzo and Deborah Witt Sherman succeed in bringing together the heart of nursing and the true meaning of palliative care with the most current evidence based practice. --GeriPal This fourth edition of a comprehensive textreference that has been valued by students, educators, and practicing nurses for many years, Palliative Care Nursing continues to reflect the fundamental hospice and palliative care nursing competencies---both basic and advanced---that are essential for effective and empathetic care of patients and families. This new edition reflects the tremendous growth of this vital discipline into the mainstream of health care and focuses on palliative care that is responsive to the demand for health care reform in America and globally. It provides the knowledge, scientific evidence, and skills needed by nurses to address the complex physical, emotional, social, sexual, and spiritual needs of patients and families within the context of a changing health care delivery system. With a focus on inter-professional collaboration, the book emphasizes the value of complementary, holistic models in promoting health and wholeness across the...
